

**NEW From Neat 3B**

**NEAT®  
3B**

## **HAND SANITISER SPRAY**

From the reputable brand  
Neat 3B comes the new  
3B Hand Sanitiser product.

Alcohol based  
sanitisers are an  
effective temporary  
sanitiser that work  
only while the alcohol  
is present on the skin.

BAC based sanitisers  
are an effective  
sanitiser that remains  
adhered to the skin in  
between uses and/or  
washing of the hands  
for up to 4 hours.

Active Ingredient:  
Benzalkonium Chloride (BAC)

- **The ultimate protection for hand hygiene.**
